

# Marine-i: Marine Technology and Innovation Showcase

## AWARDS NOMINATION FORM

### Award categories

- **Impact on Cornwall:** For the individual or business that has in the judges' opinion, made an outstanding commercial impact through its application of research, development and innovation through Marine-i, thereby putting Cornwall on the map in their particular field of business. This may include promoting Cornwall as a centre of excellence more broadly across the UK and overseas.
- **Game Changing Innovation:** For the individual or business that has in the judges' opinion, has through Marine-i, made an outstanding contribution to technological innovation or has developed an outstandingly innovative technology, which may or may not have yet been commercialised. This could be a new or different use of technology that has led to a breakthrough.
- **Best new startup since 2016:** For the business that in the judges' opinion, is the best new startup venture established during this period. Nominees must have worked with Marine-i and may include new divisions of existing businesses as well as new start up companies formed since 2016.

### Judging criteria
